

SPONSORSHIP

The community based Brooklin Redmen Lacrosse Club is not owned by any one individual or group - instead it is operated by a dedicated not-for-profit group of volunteers. Community and corporate sponsorships are necessary to put a competitive team on the floor season after season. The Redmen are committed to building strong partnerships and long term relationships - the club would be honoured to welcome you to the Redmen family.

WHY SPONSOR THE BROOKLIN REDMEN?

Image: Among the elite lacrosse organizations in Canada

Profile: Features many players from the National Lacrosse League and other talented local players
