

Welcome to the Brooklin Redmen Lacrosse Club, a not-for-profit organization. It is a community-based amateur team that is not owned by one individual or group but instead it is operated by a dedicated not-for-profit group of volunteers. The club would be honoured to welcome you to the Redmen family.

As a fundraiser for the club, the Brooklin Redmen will be hosting their Annual Open Golf Tournament May 27, 2011 at Cherry Downs Golf and Country Club. All golfers and guests will attend a lunch with prize presentations and a silent auction. We are looking for hole sponsors, cart sponsors, prizes and silent auction items to make this event even more enjoyable for the participants.

Please contact Jennifer Allan at the phone number below if you are able to donate an item for the event or are interested in sponsoring a hole at \$75 or a cart for \$25.

Thank you for your consideration in supporting this event.

Sincerely,
Jennifer Allan
